MEMORANDUM FOR: Distribution

SUBJECT : Colby Request

1. Bill Colby has asked for a list of every committee, panel, working group, etc., in which the Agency is involved. We are responsible for pulling together a list from this Directorate and I am told, incidentally, this includes such things as career panels as well as USIB committees -- nothing is too small or insignificant to be included.

2. Would you please provide us a list of committees in which you or your people participate by COB Friday 21 January.
